365funds is open for investors from all over the world in 10 sep 2008. Hello, welcome to 365funds. We are a Private Loan Club that has been online since February of 2006. We invest in various funds and also have different offline business working for us. Yes we do invest your funds and the invested funds will generate income for you.

365funds offers not only a short term on-line investment assistance, but we build funds resources for long terms and reliable investment programs.

We accept LR, PM!

You may directly invest to our accounts:  
LibertyReserve-U0529712  
PerfectMoney-  
**-U1073593(USD)/E1485175(EUR)**  
In memo write your plan. A, B, C, E or F (and your ref.)

We, the 365funds Co, Inc., are happy to invite You to participate in our Investment Programs. Feel free to browse our webpage, to contact us for any kind of questions, and of course to join to our Programs.

We are a private investment club found in Jun 12 2006 by an experienced and professional management group, provides investment products and service all over the world. After years of successful partnership with some investment clubs and working offline with private investors we finally decided to launch our private online investment platform on September, 2006. As a specialty manager, we've adopted a comprehensive approach that delivers tailored investment programs aimed carrying out all direct investment operations for its own benefit and the benefit of its clients.
